Hello Campers!

We are starting to do some things around the park and getting things ready for camping season!!

Our next Board meeting will be held Saturday, April, 28th in the clubhouse at 10 am

Maintenance has been working on the Handicap restroom in the clubhouse, what started out as a simple project putting a new floor down turned into a little bigger project with some issues of mold and plumbing but all has been replaced and the restroom will be fresh and new!!

We are meeting with the Neshannock creek people, commissioners and others about getting something done with the flooding. We are doing our best with this issue, but unfortunately we can not control mother nature, but hopefully can make some head way.

Lots of great activities and things are going to be happening this year in our park and we look forward to seeing everyone soon!!!

PPCA Board of Directors

THINKING OF FRIENDS AND FAMILY

We are looking into updating our Security System at the front gate, We have gotten 2 bids.

This would eliminate our gate cards that are out of date and not secure cards ,to using key fobs that are programmed directly for PPCA and a software program to validate and delete directly from office.

There will be a fee for the Fobs to Shareholders, and their mother , Father, Son or daughter, brother , Sister.

VOLUNTEERS WANTED

Please remember to sign up for a committee , sign up sheets are located in the clubhouse. Are Committees work very hard to plan the activities for us all to enjoy, and if you could spare a few minutes of your time to help out it is always greatly appreciated.
